WELCOME TO THE LEAGUE

The South Australian Amateur Soccer League Inc. (SAASL) is the major organizational body for non-professional soccer in South Australia and is the state's largest management body for senior level amateur soccer.

Structure

The League is an autonomous body, comprised of its member clubs each of which has equal voting rights in the affairs of the League.

Responsibility for the overall control of the League is vested in the hands of a Management Committee, elected by the body of member clubs at the annual general meeting.

The Management Committee comprises the President, Vice-President, General Secretary and six committee people. All officials and members of the Management Committee serve in an honorary capacity.

The League is headquartered in its own complex situated at the corner of Military Road and Trimmer Parade at Grange.

Member Clubs

Member clubs have various origins. Many of the longest standing members have their origins as factory-based teams, others originate from various sporting or social clubs, many of which represent immigrant groups. Community-based clubs are becoming more numerous. Other clubs arise from the growth of senior ranks or former junior league clubs.

Our History

In early 1965, eight factory-based teams gathered to kick-off their first season of organized soccer. This was the birth of the "Sunday Industrial League". It changed its name to become the South Australian Amateur Soccer League the following year.

New clubs came to join the founding eight clubs, and the fledgling League soon grew to become a major force in South Australian soccer. Many firsts were to follow as the League followed a policy of growth and new initiatives.

In 1978 the League established its own referees' body. It was a founder member of the national amateur body. It commenced its own radio programme in 1983. It instituted a summer competition, established a Saturday competition in 1984 and introduced a telephone results service.

The Future

From its inception in 1965, steady growth has been the pattern of the League's development.

The SAASL is well prepared for the challenge of the dramatic increase in player and club members and is well able to extend its current excellent level of service in order to accommodate them. Already the League has clubs and administers competition in outer suburban and country districts from Port Pirie in the North, Murray Bridge in the East and Victor Harbour in the South.

The Competition

The League conducts a number of competitions for its member clubs to contest. Currently all matches are scheduled for Sundays and Saturday afternoons

The League Championship:

The cornerstone of the League's competition is the League Championship Season, commencing usually in the first week of April and running through to late September.

The competition in divided into Saturday and Sunday sections. The divisions are graded according to playing strength into divisions 1, 2, 3, 4, etc. Teams in each division compete on a home and away basis, with three points for a win and one for a draw. The leading team at season's end is declared the champion for that division. A system of promotion and relegation exists between the divisions.

Challenge and Reserve Cup Competitions:

These are conducted through the year with all League teams being involved. The Challenge Cup is for senior (first) teams, and the Reserve Cup is for reserve teams.

The competition is conducted on a knockout basis, with the losers being eliminated and the winners proceeding to the next round. Matches are by random draw. This process culminates in Cup Finals, which are held as a prestige event, the Cup Final Day, generally on the last Sunday in September.

Future Aims

The aims of the League are clear.

They are:

- To provide, for amateur players, a competition run to the highest standard, without limitation as to age, race, religion or location throughout the State of South Australia.
- To improve the publicity of, and public perception of, amateur soccer, so as to foster the continued prosperity of the sport throughout South Australia.
- To encourage and assist new clubs wishing to participate in organized amateur soccer competition.
- To provide for the benefit of amateur soccer in South Australia, a strong, united voice within the hierarchy of soccer administration in this country.
- To do all these things whilst having regard for the amateur nature of its membership, and therefore keeping club costs at the lowest possible level.

PRESIDENT'S MESSAGE

Another season is almost upon us and things preparations are well under way to welcome in the new season.

As over the past couple of years we are again experiencing growth in both Saturday and Sunday Divisions; Saturday now has 6 divisions, and Sunday Divisions are the same story, with several new clubs in the lower divisions. Without doubt our biggest growth area is now the C teams and the over 35's, with 3 full divisions on Sundays encompassing some 44 teams. As in previous World Cup Years we are expecting an increase in numbers due to the increased interest in the games at all levels.

For 2009 the Referees Sub Committee was active and ran courses during the year, increasing our numbers of club people who are able to officiate in reserve games when required. During the year several of those previously trained decided to take the next step to Level 4 and to join our Referees Association and are now able to officiate at games across the league. This year will also see a change with the Referees Association taking a more hands-on approach in the training of the club recruits. The league owes a vote of thanks to the Sub Committee for all of the hard work they have put in over the initial set up period.

We thank all of our loyal sponsors for their continued financial support in the difficult financial times of the past year; their support has allowed us to maintain our administrative service levels. This year we welcome on board three new sponsors, Top Corner Sports, Glynde Travel and Tripodi Group.

Sadly in the last few weeks we have lost a long time member of the Management committee in Rudi Templin, who passed away after a long illness. Rudi was a founding member of the League in 1965 and served as President during the period 1971 – 1977. He will be missed.

2009 was an exceptional year for growth of player numbers with registrations reaching record levels. Our Junior Association affiliates, Elizabeth & Districts Junior Soccer Association, and Southern Districts Junior Soccer Association continue to maintain their playing numbers.

With the increasing number of clubs and players the administration has now been expanded with the addition of a new Office Assistant.

This year after several years' absence, the League Cup Finals returned to Hindmarsh Stadium which saw all levels, Challenge Cup, Reserve Cup and over 35's Cup played, and also included an Elizabeth & Districts Junior Cup Final, all of which made for a very successful day.

In the year ahead a great deal of refurbishment will be commenced around the Salisbury Council area, most of which is being carried out under the Federal Government Initiative, with assistance also being provided by Salisbury Council itself. Some of these major works are already nearing completion and all should be finished later this year.

Para Hills West: Building extension, change room upgrade and refit of social areas including the kitchen.

- $200,000 - Federal Funding, Dept of Health & Ageing
- $300,000 - Salisbury Council

Para Hills East: Building extension, change room upgrade and refit of social areas.

- $450,000 - Federal Funding (Nation Building Initiative)

Macedonia United: Work is about to commence on the buildings along the same lines as the clubs above.

- $430,000 approx. - Federal Funding

Brahma Lodge: Currently awaiting advice, approval and revised costing for Cockburn Green Oval and The Paddocks, for lighting projects.

- Estimated value: $533,000, plus an undetermined council contribution

Ingle Farm: A master plan has been prepared for Walkleys Park and funding submissions have been developed. The value of the proposal has been placed at $4.04M and includes major earth works, lighting and level changes, including new pitches for both soccer and baseball and construction of new clubhouse facilities.

As well as the work listed above, most sports grounds within the Salisbury Council area have now been connected to the recycled water system - the effect of which is all too apparent at most of the sports grounds used by our clubs.

On behalf of the Management Committee we thank Salisbury Council for their vision and their faith that our clubs are worthy of this support and cost.

Congratulations to all winning clubs for 2009 in both League and Cup Competitions - may this season also be successful for you.

My personal thanks to all of our hardworking Management Committee for all of the effort they put in every year to keep the machine running, and to provide the service the clubs have come to expect.

Finally, good luck to all clubs and players for season 2010, let's hope all your targets can be reached this year.

The Martyn Crook Foundation
Pathways without obstacles

The Martyn Crook Foundation

The Martyn Crook Foundation has been established in honour of the late Martyn Crook who passed away suddenly in December 2008. Martyn dedicated his life to the development, promotion and education of young, talented players with football ability and aspirations, some who are currently playing within the SA Amateur Soccer League.

The Martyn Crook Foundation aims to reach out to indigenous Australians, young players arriving in Australia as refugees, and those young players who are financially disadvantaged, by developing initiatives to promote their greater inclusion in the football family.

The Foundation will work closely with all football bodies to ensure that players that are identified are given every opportunity to achieve and are not disenfranchised from the game due to their race, gender or financial standing.

With the support and endorsement of the FFA, FFSA, Adelaide United FC, SA Amateur Soccer League and SASI, the Foundation will be launched officially on Friday 21st May 2010 at a gala event at the Adelaide Hilton entitled "An African Safari", while also celebrating the Qantas Socceroos participation in the 2010 FIFA World Cup.

The SAASL Management Committee recognises the significant contribution Martyn Crook has made to football at both Sate and National level and strongly supports and endorses the work the Foundation will continue to do in his memory.
